The Jahangirnagar University Journal of Electronics and Computer Science (JUJECS) is a peer reviewed journal which accepts high quality research articles. The journal is published annually by the Department of Computer Science and Engineering, Jahangirnagar University, focusing on theories, methods and applications in Computer Science & Engineering, Electronics, Information Technology and relevant fields. The goal of the journal is to make the researchers familiar with the current trends of research in the abovementioned fields.

JUJECS invites researchers, academics, professionals to submit their original and unpublished articles. Extended versions of papers presented at conferences may be submitted. All articles must be in English. Submitted articles will be reviewed by the members of a review panel composed of eminent researchers from different institutions worldwide. Authors can submit a paper at any time. Following acceptance, a paper will normally be published in the next issue. The journal ensures the authors that the peer review results will be informed within three months from the date of paper submission.

The format of initial submission is: font size: 12, font type: time new roman, line spacing: double and single column. The paper should include the following sections: Title, Key-words, Abstract, Introduction, System model / Analysis, Results, Conclusions and References. Once accepted the modified paper should be submitted in two columns preferably in IEEE format not exceeding six pages. The format can be collected from the editor or downloaded from the website of the journal. The author should submit two hard copies of the article along with a cover letter to: **Editor, JUJECS, Department of Computer Science and Engineering, Jahangirnagar University, Savar, Dhaka-1342, Bangladesh** or email as attachment to: editor.jecs@juniv.edu
