Press Release (Congratulatory)

Jahangirnagar University ranked top in the country in Times Higher Education ranking – VC Congratulatory

Jahangirnagar University, 09 October 2024

Jahangirnagar University has achieved the best university rank in the country in Times Higher Education ranking for 2025. In the 2024 ranking, Jahangirnagar University was also the best university in the country according to the Times Higher Education ranking. Vice-Chancellor Professor Dr. Mohammad Kamrul Ahsan congratulated the teachers, students, and relevant others of Jahangirnagar University for this achievement in the international ranking.

In a congratulatory message today, the Vice-Chancellor says that it is an honor and pride for Jahangirnagar University to be named as the best university in the country in Times Higher Education ranking. This achievement will enhance the recognition and reputation of the university. The Vice-Chancellor hopes that the university will be upgraded in ranking in days to come. The newly appointed university administration has recently increased the incentives for researchers and published research articles in internationally reputed journals to enhance the research of said university. The Vice-Chancellor expresses his commitment to continue the support in increasing incentives for the researcher.

The notification for this year's ranking was published on the official website of Times Higher Education on October 9, 2024. The institute published the ranking based on the points obtained on five indicators of teaching, research environment, and quality, industry, and international outlook. Furthermore, according to a survey by Stanford University, five teachers and one student from Jahangirnagar University were recognized among the top 2% of the most cited scientists in the world. The vice-chancellor congratulates all those who have made contributions to upgrade the academic standard of Jahangirnagar University.

Dr. Mohammad Mahiuddin
Director (acting)
